## About Janis Care

**Janis Care Private Limited**, incepted in May 2021, Janis a specialised manufacturing company specialising in the Manufacture, and Marketing of Surgical and Non-Surgical products having our Head office in Mumbai, and regional sales office in New Delhi, Pune, Aurangabad and Lucknow. A total team of 45 highly enthusiastic individuals thriving to achieve the highest standard of Quality and Service to our customers.

We proudly state that our production process and manufacturing set up is as per International Standards and we take optimum care in maintaining finest Hygiene and Quality Standards towards our products. From our manufacturing, packaging to logistics we have put our thoughts on every detail and planned the process with our customers in mind.

Janis Care as a brand is here to stay and make a dent in the surgical and medicine industry. We strive to become the most preferred choice of brand for all our consumers, not because we marketed it well, but because they got more than what they expected. That's Janis Care.
